HSTumbling is a Christian ministry providing a tumbling program for the children of homeschooling families, ages 3-18. We meet on Thursdays at Heritage Assembly of God, 5051 NE 5th St, Des Moines, Iowa, 50313. Our program generally begins the second or third Thursday in September. Our final class before a winter break is the Thursday before Thanksgiving. We resume after the break on the second or third Thursday in January.

Recital is tentatively scheduled for the first or second weekend of May. Tumbling classes will run until that time. **IMPORTANT NOTE:** Beginning in late March/early April, each student is required to attend mandatory Tuesday tumbling classes in addition to their regular Thursday classes. Tuesday classes will be held at the same time as the Thursday classes. Completion of this form will place your child on a waiting list for a recital class. Recital classes are offered as they become available. You will be notified by email of any openings. Adding our address to your contacts will ensure this email will not go into your spam.
